Dear Gary:

In answer to your letter of March 27 I have determined that [illegible] the material attached which mentions Don Morgan, he and David Kroman may possibly be the same.

A confidential source advises that he thinks the two men are one and the same. Another source who was in New Orleans and who had an opportunity to talk with Jaffe said that Jaffe told her that Kroman and Morgan were identical. This information came about during the Shaw trial.

Our first source asked that he not be identified for two reasons. One, he is not certain of the validity of his statement and two, [illegible] necessary to protect his identity.

As I uncover additional information which may be of value to you, I will pass it on.

Best regards,

Paul M. Rothermel, Jr.
